#### California Proposition 65 Statement

This statement provides the information on IDEC CORPORATION's observance of California's Safe Drinking Water & Toxic Enforcement Act of 1986. The Act, commonly known as Proposition (Prop 65), establishes a list of chemicals which the State of California risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

**WARNING:** Our products can expose assembling workers the following chemicals, which are

known to the State of California to cause cancer:

- Antimony oxide, Carbon black, DEHP, Lead and lead compounds, and Nickel

For more information go to <https://www.P65Warnings.ca.gov/>

The statement is accurate to the best of our knowledge as of August 2018, and we will continue to monitor the Proposition 65 regulations for any new chemicals and communicate the information to our customers. And IDEC products are used in scope of Business to Business (B2B). Please read this statement before installation and operation of our products, as with instruction sheets, specifications, and user's manuals.
